**Fire Blankets**

- + Made of NOMEX/Kevlar Blend (65/35-Dupont) A tough, soft, fire and heat resistant fabric.
- + Use to smother and contain small fires or as a protective wrap in the event of an evacuation during a fire.
- + More effective than wool blankets.
- + No mess to clean up after using our fire blanket.
- + Won't melt, drip, burn or support combustion in the air.
- + Affordable and light weight. Single use.
